Breve descrizione della scuola:

- posizione geografica

Oulx is a small village, 80 km far from Turin, in Val Susa and only 12 Km near the French border. In our area last year we had the Winter Olympic Games Torino2006. We have 700 students from 12 to 19 years old coming from all the valley.

- principale finalità educativa e formativa:

Our school offers a lower secondary school and an upper secondary school with 5 different courses: Ancient Classical Languages and Literature (Latin, art, Greek etc), a course on Foreign Modern Languages and Literature (English, French, German, Spanish etc.), a course on Scientific studies (math, physic, science, biology, chemistry, ICT etc), and 2 vocational courses (one about Tourism and one about Graphics and advertising).

Educational and teaching objectives

- **To raise the level of learning and educational success**
- **To assure success on completion of the course**
- **To provide remedial lessons and evaluate the potential of each student**
- **To stimulate interest in knowing about environment, the local area and intercultural relations**
- **To create the space and conditions required for creativity, encouraging the joy of spending time together**
- **To become familiar with and make use of, information technology.**
